

**WHO
ARE
YOU?**

Why am I here?

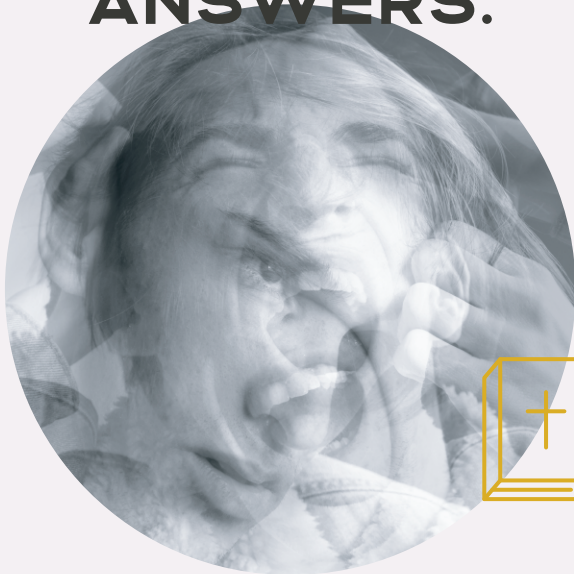

*Why do I feel so much
pain and agony?*

What went wrong?

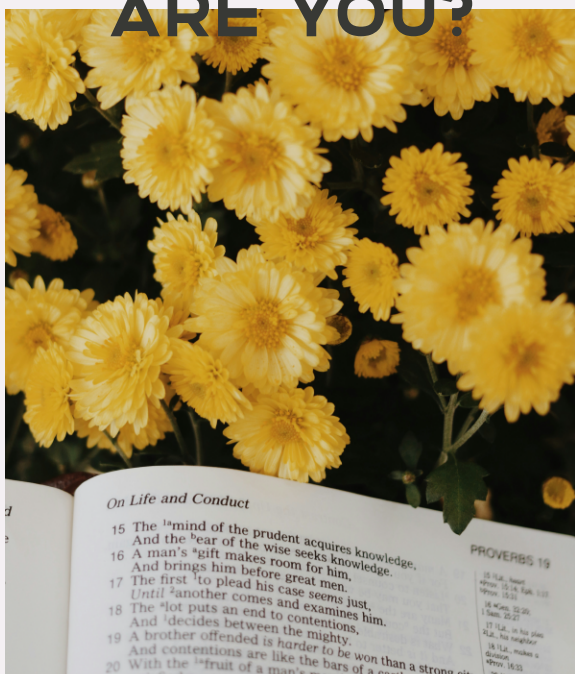

*Is there a way out
of this mess?*

*What can I look
forward to?*

**YOU NEED
ANSWERS.**

SO, WHO ARE YOU?

The gospel of salvation provides the answer to all of these tough life questions. It points us to someone totally beyond our humanity and understanding, yet very much a part of our human experience:

JESUS, THE SON OF GOD

Jesus lived in perfect bliss with the Father and the Holy Spirit, yet came to earth to take on **our** painful and sad existence. Why? In order to open the way for us to have a new life. A new life that says that I do not belong to myself anymore, but **belong to him**.

So often we look for ways out of the mess we are in. We throw on our headphones, grab a toké or two, drink ourselves into oblivion or snort a few lines of coke. All too soon, though, the next day dawns and we are still stuck in the same old scene. Jesus offers a **way out** but it calls for faith in him.

It calls for believing the gospel – the **good news** that he came to save people from their sinful and destructive lifestyles.

He does not promise a bed of rose petals in this life, but he does promise an eternal perspective that goes way **beyond** this life.

This new life is the good news of the gospel. This new life of faith in Jesus and the redemption he has attained for you allows you to live freely and joyfully from now on.

THE GOOD NEWS IS FREE.

The really good news about the Good News is that it is totally free for everyone and takes the chaos of our lives and allows us to live new lives of joy and thankfulness.
